FOND DU LAC COUNTY LABOR MARKET TRENDS

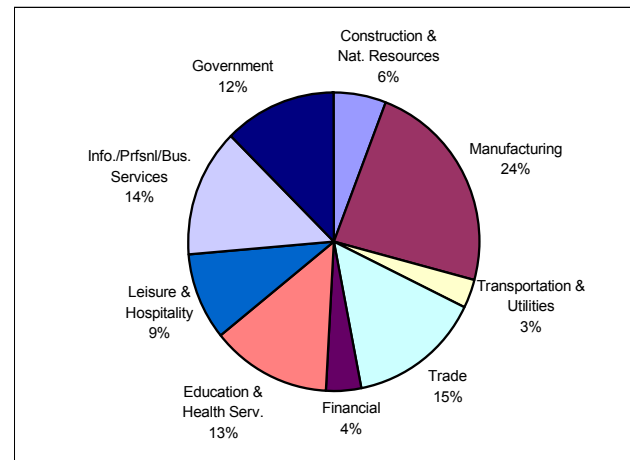

Fond du Lac County...

like many counties in the State of Wisconsin has a high percentage of workers employed in the manufacturing sector. Over 24 percent of the workers are employed in this sector, compared to under 20 percent for the State of Wisconsin and less than 14 percent for the U. S. Employment in this industry has declined through the 1990's and in the new decade.

Most workers live and work in the county, however, the number of workers that commute out of the county is higher than the number of workers that commute into the county for work. Approximately 10,000 workers commute to Fond du Lac for work, while nearly 14,000 leave the county for work.

Employment by Industry in Fond du Lac County: 2002

The annual average wage in 2001 from employers in the larger major industries was \$27,037 in business and professional services, and \$23,735 in trade, transportation, and utilities. The annual average wage for all workers was \$29,811. This was 92 percent of the average wage of \$32,422. for the state
